LETTER FROM THE PRESIDENT

Hello Ladies!

Well Halloween is done and now Thanksgiving is on the horizon! I love the holidays and I hope you are all enjoying this time of year. I was sad to miss the October meeting, but an upper respiratory infection really took me out for a while. I missed you ladies but I am so thankful for Susan Kingston who stepped in and did a fabulous job at the meeting.

I am excited to tell you more about what went on at the BPW/FL Fall Conference. Please scroll down through the newsletter to see some of the great upcoming opportunities. Ok, so let's see who really reads this letter! The first three people to email me the correct answers to the following two questions will receive a gift at the next meeting: In what year was BPW founded and what is the Mission of BPW/FL? Just a hint, the BPW/FL website may have the answers. Please take a moment to take a look at the BPW/FL website. It is rich with information about the wonderful group we are a part of. The state conferences are always a reminder of the great history and legacy of the women in this group.

We have a Women Who Dine/Gold Rush event coming up on November 14th. If you haven't signed up or invited a guest yet, please be sure to do so. ***This will be our last fundraising/community outreach event until next year!***

I look forward to seeing you at the meeting on November 18th. Don't forget our meeting is early this month so that we don't interfere with family time during Thanksgiving week. Local trial attorney Dean Foman will be presenting our November program and you don't want to miss it! See you at the meeting.

BPW/Jupiter President,
Andrea Johnson White

BPW/FL Fall Conference Updates

By Larabee Johnson and Andrea White

Public Relations

- Using social media and traditional PR such as press releases, emails and word of mouth are the focus this year! Let's no longer be a best kept secret!
- Please "like" BPW/Jupiter, BPW/Florida and any other Local Organizations in Florida on your Facebook page
- Also be sure to share our upcoming events with your friends on Facebook. A shared invite to 100 can instantly become shared with 1000 people if even 3 or 4 of us share the invite from the BPW/Jupiter page with our Facebook friends.

Membership

- Currently BPW membership in the state of Florida is 533 strong. We are starting to see a bounce back since our change from the national organization!
- Members in good standing are at 455, so please be sure to send in your renewal payment to Nancy Albertz as soon as you receive your membership renewal notice from Milly!

FL Education Foundation

- The Education Foundation was excited to announce that they are in the process of fostering new opportunities with both the University of Central FL and other universities wherein our fundraising dollars will go to support housing scholarships for ladies that might not otherwise be able to afford housing.
- We are also still privileged to be supporting ladies at the scholarship houses on the campus at FSU and FAU. At FSU we house 21 girls! At FAU the house is full again this year with approximately 16 girls.
- These two houses at FSU and FAU are the pride of our BPW Education Foundation's mission. We need to continue to raise funds for the maintenance and support of these two houses.

In fact, Joann Orr has said that anyone who personally donates \$50.00 to the Education Foundation between now and the State Conference next year will receive a Penelope pig from Pier One. If you would like to donate please contact Andrea and she can give you the details. Also, don't forget the FL Education Foundation is a 501(c)(3) organization, so you can receive a tax write off for your donation.
